KC/G/49/2023

26 October 2023

Dear Parents/ Guardians

2023 has been a fruitful year for KC as we resume many signature programmes and learning activities at full scale. The theme for the year is "Love One Another" and I am proud of how KCians have served others and acted in love in big and small ways. Our students' growth would not be possible without your support, and I thank you for your partnership.

In this letter, we will be sharing key information for the end of the academic year.

## 1. KC Open House

KC will be having our Open House on **Friday, 17 November** from 1 to 5 p.m. Beyond sharing with prospective students and parents, the Open House is a platform for KCians to showcase their interests and talents, and for them to exercise their communication skills. Do share about our Open House with family and friends! More information can be found on our school website.

## 2. School Operations during School Vacation Period

Students who are returning to school for lessons, CCA and consultations should be properly attired in their uniform with school shoes and socks. Students and parents/guardians who wish to meet school personnel should make prior appointments as they may not be in school. The General Office will be closed from 12 p.m. on **Wednesday, 15 November**. From **Monday, 20 November**, the General Office will operate from 7.00 a.m. to 5.30 p.m. every workday during the school holidays.

## 3. Sale of Textbooks and Uniform for Academic Year 2024

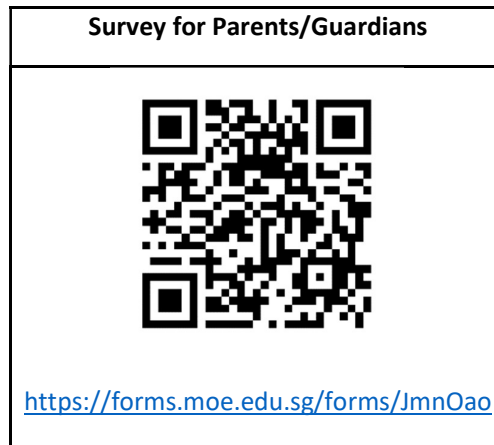

The booklist will be issued to students on **Friday, 27 October** together with their Holistic Development Profile. Sec 2 students progressing to Sec 3 should only purchase their textbooks after confirmation of their Sec 3 subject combination. Information on the sale of textbooks and uniform can be found in Annex A.

## 4. Start of Academic Year 2024

The school year starts on **Tuesday, 2 January**. Students will go through an orientation programme to help them settle into school and their classes. The orientation programme and timetable will be shared with students nearer the date.

## 5. Feedback on Home-School Partnership

The Home-School Partnership is important to support students' development. We value your feedback on how we can improve the partnership. Kindly take a few minutes to complete the survey on our channels of communication.

## 6. President's Award for Teachers (PAT) and Outstanding Youth in Education Award (OYEA)

Every year, President's Award for Teachers (PAT) and the Outstanding Youth in Education Award (OYEA) are given out to teachers in Singapore to recognise their professional excellence.
